

WELCOME TO

The **FF** on
ifth ourth

The Fifth on Fourth is a training restaurant established in 2003 in what was Clough Hall Technology School. Seventeen years later, with a new building and a new school (The King's) it is still going strong. During that period hundreds of Fifth on Fourth graduates have established successful careers in the catering industry and thousands of customers have enjoyed high quality meals at an attractive price. The facility is managed by Ms Sarah Collins, who oversees the training of sixth form students in both kitchen and front-of-house disciplines.

OPENING HOURS

The restaurant currently opens for lunch on Tuesday, Wednesday and Friday, and on Thursday when there is no evening event.

All openings are for term time only.

Lunch

The opening hours are 12.00 to 14.45, although orders must be placed by 13.00. Booking is preferred but “walk in” customers are welcome. Our lunch menu changes each week and is emailed to all customers on our mailing list at least one week before. You can also request a menu by email or by ‘phone and we will send one to you.

Evening

Customers should arrive between 18.30 and 19.00. Booking is essential. On some Thursdays, we offer a menu based on a theme, some of which are topical (e.g. Burns Night, St. Patrick’s night). We aim to have evening menus ready at least 4 weeks ahead of each function. They will be emailed to all customers on our mailing list soon as they are ready. You can also request a menu by email or by ‘phone and we will send one to you.
