

INTENT:

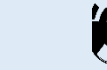

What do you want to achieve in your subject through the curriculum that you're planning?

In Religious Education at The King's the curriculum is designed to encourage students to know about and understand a range of religions and worldviews and be able to express ideas and insights about the nature, significance and impact of religion on the lives of believers.

As an enquiry based subject RE allows students to gain and deploy the skills needed to engage effectively in moral and ethical debates within a social and worldwide context.
