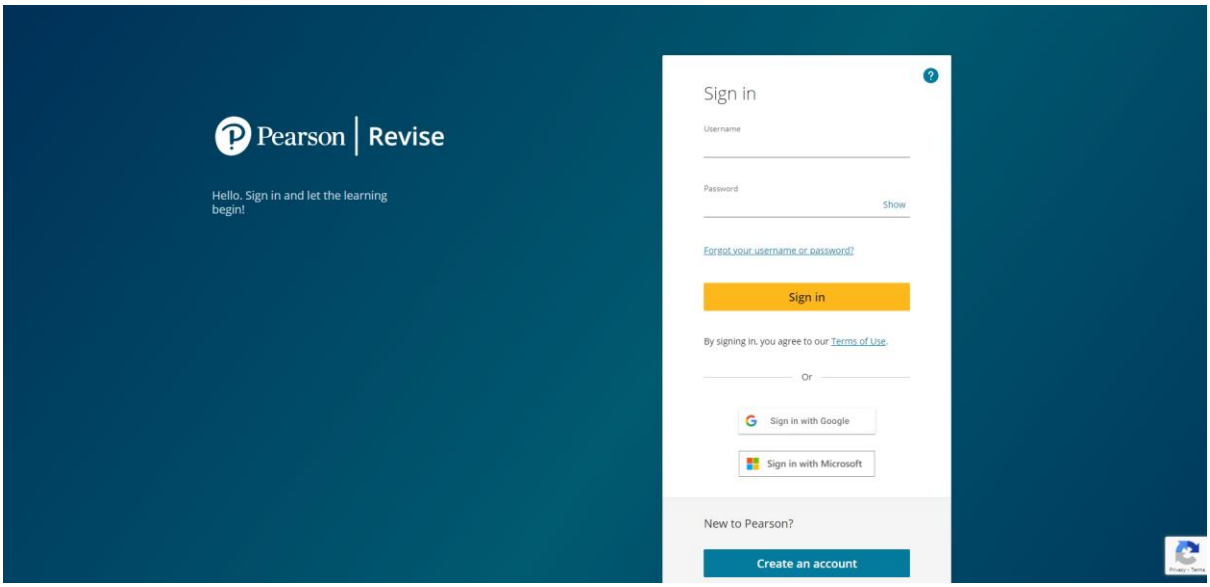
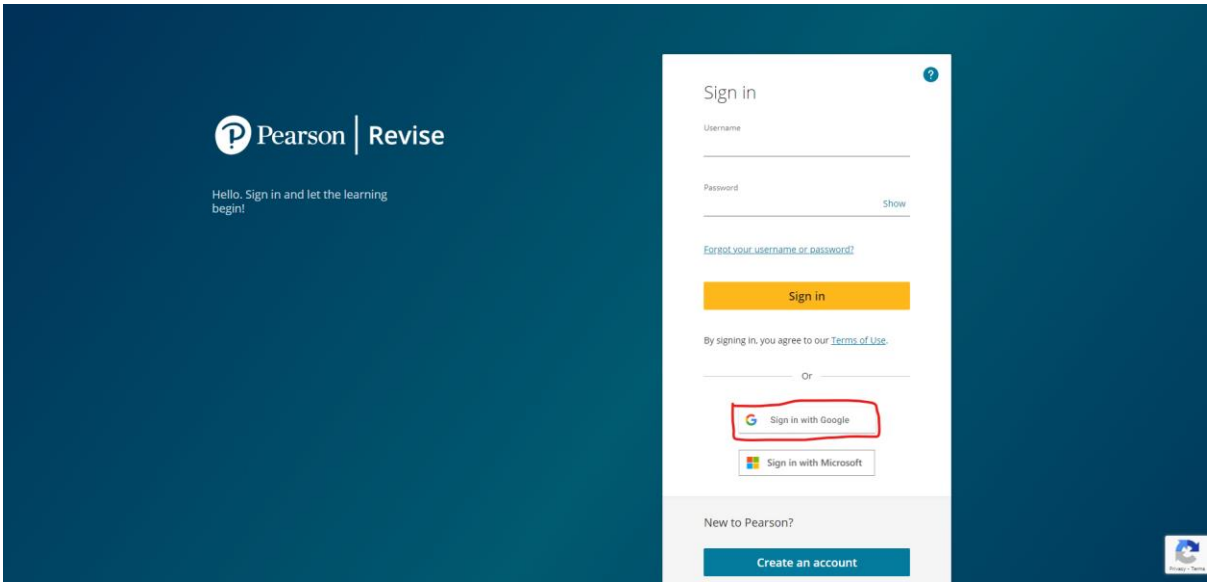
Pearson Revision Online

This guide is to help students log into the Pearson Revision Guide

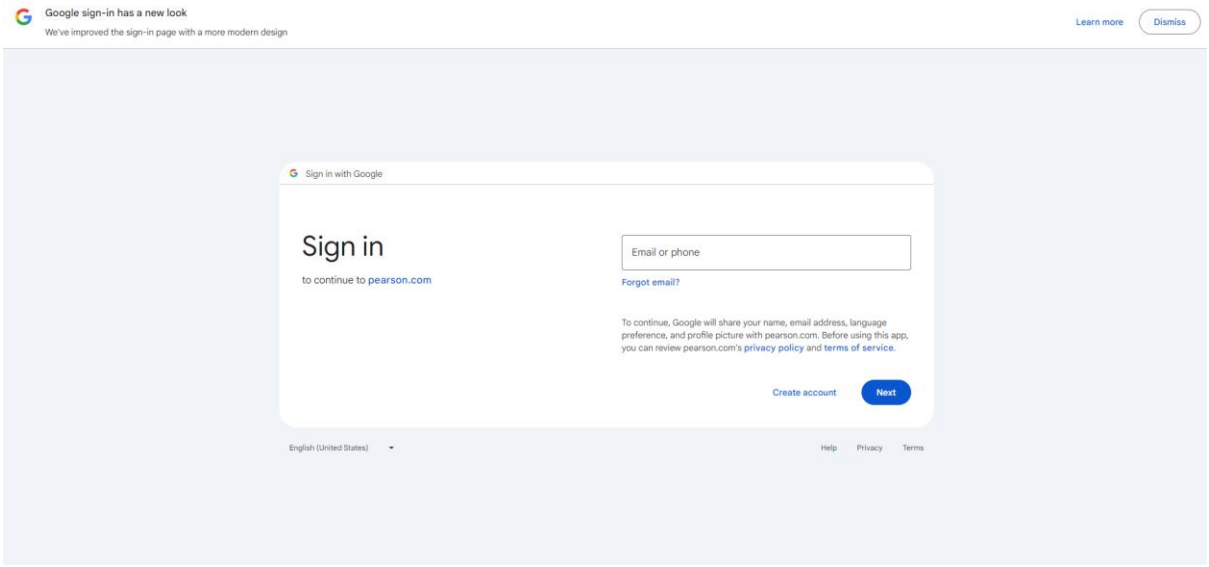
1) You need to use the following link or copy and paste into Google Chrome the following: https://reviseonline.pearson.com/school/threespires - Once done, you will see the below screen shot



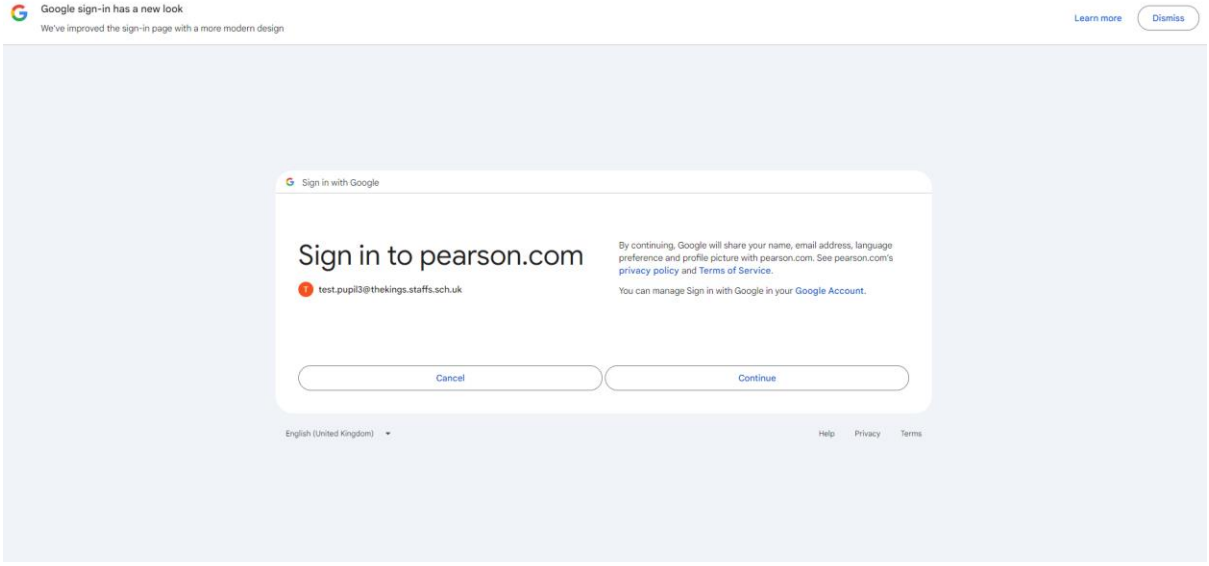
2) Select the **"Sign In With Google"**



3) You will be greeted with the Google Sign In Page. The details to be used should be the same as what is used in school for the Chromebooks or your emails (they're both the same).
PLEASE NOTE: If you started in the academy in the year 2019 – 2022, you need to use **thekings.staffs.sch.uk** email, if you started 2023+, this will be **thekingscofeacademy.org (e.g.** IT.Support@thekings.staffs.sch.uk/it-support@thekings.staffs.sch.uk or it.support@thekingscofeacademy.org)

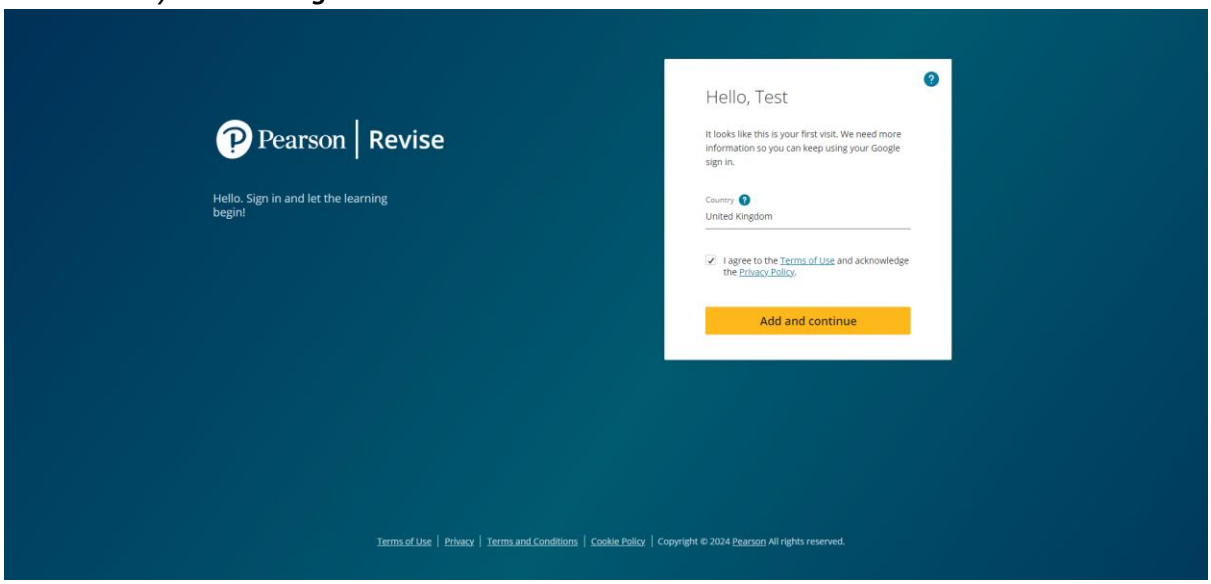


4) When signed in, you will be greeting with a message to give permission, select "Continue"

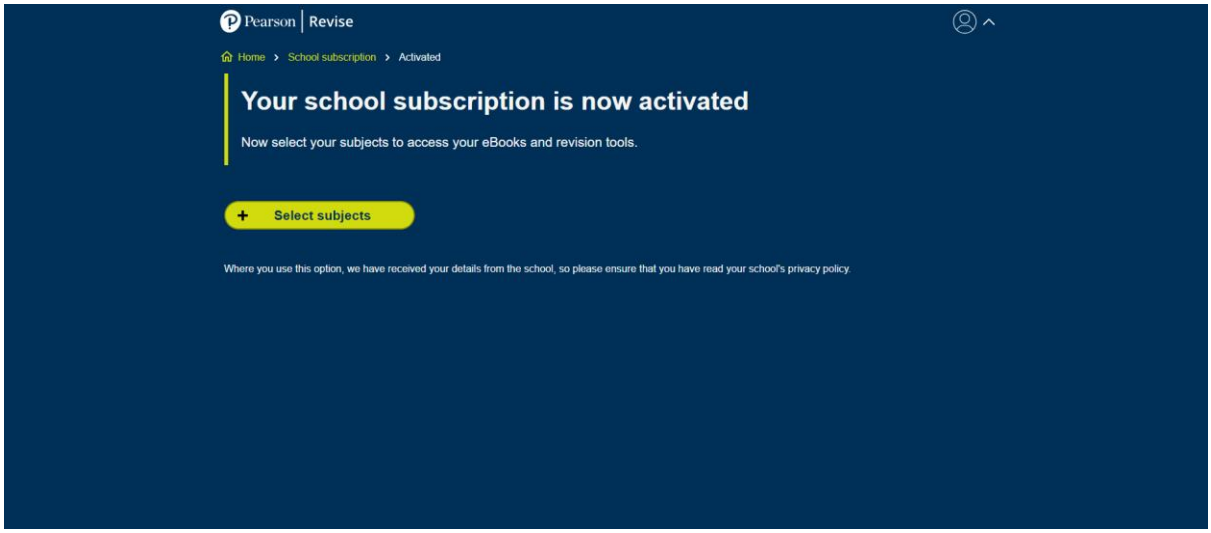


5) After the last step, you need to make sure you put in the following and select the tick box to approve:

What Country: ***United Kingdom***



6) If all is correct, this will show the following page:



You will need to select your subjects of what you are studying to get the revision guides you are needing.

7) If at step 6 you do not get the successful activation, please follow the following steps:
   a. When signed in you can add the school code by selecting **'Looking for something?'** pop-up
   b. Select **'My school has given me access'**
   c. Enter the school code: **threespires**
   d. This should then be successful

If you have any issues at all, then please email the enquiries email and they can get in touch with the IT Support of the school.
