The King's CHURCH OF ENGLAND ACADEMY KIDSGROVE

Aspire Belong Care

17th July 2026 Issue #18

A message from our Principal, Mrs Postlethwaite...

Over the past twelve months, The King's has continued to grow as a community rooted in care, compassion and hope. We have worked hard to ensure that every child knows they are valued, loved and able to flourish. Together, we have celebrated improved attendance, a successful SIAMS inspection, wonderful achievements across our curriculum, and countless moments of joy, laughter and shared success. Each of these milestones is a testament to the dedication of our staff, the resilience of our students and the unwavering support of our families.

As with every year, the summer also brings change. We say goodbye to a number of valued colleagues as they begin new chapters in their careers. We thank them for the contribution they have made to our school community and wish them good luck in all that lies ahead. At the same time, we are delighted to welcome several new members of staff who have already visited for their induction and are looking forward to becoming part of the King's family in September.

Looking ahead, our priorities remain clear. We will continue our work to improve attendance and raise outcomes so that every student can fulfil the potential God has given them. From September, every student will have a personal learning folder as part of their daily equipment. I would be grateful for your support over the summer by ensuring your child has a suitable school bag and a fully equipped pencil case ready for the new term. We will also be introducing a whole-school approach to revision, helping students to revisit and retain their learning from Year 7 onwards. Alongside this, we will be offering parent workshops to share practical ways you can support learning at home, and I very much hope many of you will be able to join us.

My first year as Principal has taught me a great deal. There have certainly been challenges, but there have also been countless moments that have reminded me why this vocation is such a privilege. I feel truly blessed to lead a school filled with dedicated staff who care deeply for every child and students who continue to inspire us each day with their character, determination and potential.

Finally, thank you to all our parents and carers for your continued encouragement, support and partnership throughout the year. Schools thrive when families and staff work together, and we are incredibly grateful to walk that journey with you.

I pray that the summer holidays bring rest, peace and precious time with those you love. May God watch over you and your families, refresh you over the weeks ahead, and bring us back together safely in September, ready for another year of learning, growth and flourishing.

Have a wonderful summer break, and I look forward to welcoming all students back to school on Wednesday 2 September.

Upcoming Events

- 1 September- INSET (Staff only)
- 2 September- All Students return to school
- 11 September- Y7 Play in a week final show
- 16 September- Alton Towers rewards trip
- 21 September- Y7 Baseline testing week
- 22 September- Y11 Speaking & Listening day

- 8 October- Y11 Quarry Bank Mill trip
- 15 October- Y11 Shrewsbury trip
- 21 October- Y8 Trade Game
- 23 October- INSET (Staff only)
- 26-30 October- Half Term
- 2 November- INSET (Staff only)

September reminders

Piercings and hair colour/ style

Please remember that from September, piercings will no longer be able to be covered with tape. Other than one stud in each ear, all other piercings need to be removed or replaced with a clear. No hoops are permitted. We will no longer provide clear studs to students, it is their responsibility to ensure these are purchased in advance of September.

Please ensure that any new piercings are done at the very start of the holidays to allow adequate healing time.

Please also allow time to ensure that hair colour is back to a natural colour and that any holiday embelishments such as feather, gems, glitter and coloured braids are removed.

Monday- Friday 9am-5pm
Saturday 10am-4pm

Sunday opening:
Starting from 19th July - 30th August 2021

Come visit our store! Or make an appointment at- shop@smartuniform.co.uk

New PE Top Update

We are pleased to share that a newly designed PE top has been introduced following student feedback. Students told us that the current polo shirts can feel uncomfortable due to the collar, so the new design offers a more comfortable alternative.

Please note that families do not need to purchase the new PE top immediately. These should only be bought when your child's current PE kit needs replacing. The existing PE kit remains acceptable and can continue to be worn until it is ready to be replaced.

Mrs Boon

Curriculum

The Gateways were launched earlier this year for students and parents at the Options Evening. This week, our Year 9 students selected the pathway in which they would like to gain further experience and understanding.

The available pathways are:
Construction and the Green Environment
Creative and Culture
Digital, Technology, Business and Finance
Education and Early Years
Health and Social Care, Sport and Public Services
Engineering, Design and Manufacturing

Over the next two years, students will have opportunities to engage in learning linked to their chosen pathway and to explore the wide range of careers available within these sectors. Through employer encounters, workplace experiences, enrichment activities, and curriculum-linked learning, students will develop a deeper understanding of the skills, qualifications, and career routes associated with their chosen industry.

We look forward to working alongside Alpha Academies Trust and Potteries Educational Trust to develop an innovative curriculum model that places students' aspirations, future destinations, and next steps at the heart of their learning.

Good Luck YOU GOT THIS

We would like to wish Mr Austerberry, our Assistant SENDCo all the best as he embarks on a new career journey.

It isn't goodbye from The King's as he will be remain with us in our Music department to be our Music teacher!

Mr Brooks is one of our Personal Welfare Support Assistants. He also has a new adventure to embark on and will be joining the SCITT to become a Computing Teacher. We wish you all the best in the next stage of your career progression.

Mrs. Smith

SEND Support

Mrs Cooper is taking up the role as our new Assistant SENDCo - SEMH. She has been working with us as a Learning support Assistant for the last four years. She will take up this new role from September.

This year we have been lucky enough to have a few members of staff who have taken part in the Apprentice Teaching Assistant programme.

Mrs Dutton have now successfully completed her training and will continue with their Teaching Assistant role at the school.

Miss Gill will complete her training in October and will then continue as a Teaching Assistant here at The King's

Mrs Keay

Christian Distinctiveness

Heavenly Father,

As we begin the holidays, we thank You for the opportunities, achievements and memories of this term.

We pray that our students, families and staff may enjoy a time of restfulness, peace and joy. Help us to step away from our busy routines, spend meaningful time with those we love and return feeling recharged, renewed and ready for the new term.

Please watch over our whole Academy community, keep everyone safe and bring comfort and support to those who may find the holidays difficult.

May we continue to show kindness, care and compassion wherever we go.

Amen.

Whole School

Enrichment

Northwood Athletics Success

On 2nd July, a group of our students represented the school at the annual Newcastle District Athletics Championships held at Northwood Stadium. Every student selected had earned their place through their excellent performances in athletics lessons and training sessions, and they were fantastic ambassadors for the school throughout the day. They demonstrated outstanding effort, determination and resilience in every event, while their behaviour, sportsmanship and encouragement of one another were exemplary. We are incredibly proud of the way they represented the school.

A special congratulations goes to our medal winners:

🥇 Dan Machin (Year 7) – Gold Medal, 200m

🥈 Henry Dickenson – Silver Medal, Shot Put

🥇 Gabija Stankeviciute (Year 7) – Gold Medal, Javelin

🥈 Ellie Harding (Year 7) – Silver Medal, Shot Put

Congratulations to all of our athletes for their hard work, commitment and the fantastic attitude they showed throughout the competition. They should all be incredibly proud of their achievements.

Mrs Thorne

Home-School Links

As many of you will know, at The King's we proudly follow our Off, Away, Always approach, meaning mobile phones should not be seen or used during the school day.

As national expectations continue to strengthen around phone-free schools, we would like to thank our families for their ongoing support in helping us maintain this important part of school life.

A phone-free school day creates a happier, healthier and more connected school community. It gives students the opportunity to:

📵 Stay focused and engaged in their learning

🤝 Build stronger friendships through meaningful face-to-face conversations

🧠 Support positive mental health by reducing distractions, social media pressures and constant notifications

💙 Develop confidence, resilience and healthy social skills through real-world interactions

🌟 Be fully present in school life, making the most of every lesson, breaktime and opportunity

Research continues to show that spending less time on phones during the school day can improve concentration, reduce anxiety, strengthen peer relationships and support overall wellbeing.

Thank you for working in partnership with us to ensure The King's remains a calm, supportive and inclusive environment where every student can thrive—academically, socially and emotionally.

We look forward to continuing our Off, Away, Always approach when students return in September and thank our families in advance for their continued support in helping us create the very best environment for learning, wellbeing and positive relationships.

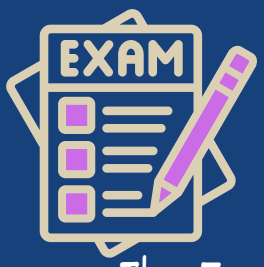
Mrs Perry

English

Drop Everything & Read

Thank you for your ongoing support in driving reading habits across our Year 7 & 8 groups. It has been a pleasure to celebrate reading within our academy.

Our work does not stop here: as part of our essential equipment, all students in Years 7-9 need to have a reading book with them every day when we return in September. We also have a library with a range of titles and genres to enjoy!



Year 10 Language success

The English Hub would like to praise the cohort for their exceptional performance in the recent English Language exam. We were deeply impressed by:

- Vibrant Creativity: Crafting imaginative, compelling, and structurally sophisticated narratives.
- Perceptive Inference: Looking beyond the literal to uncover deep layers of meaning in the unseen texts.
- Ambitious Vocabulary: Utilizing precise, sophisticated, and elevated language choices to articulate complex ideas.

You have approached these exams with maturity and flair.

Mr Aslam

Computer Science

Year 9 Computer Science students have completed the year with an exciting Minecraft Education project. They have thoroughly enjoyed this opportunity and have worked incredibly hard throughout the year.

Students were challenged to design, plan, and build their own dream home, incorporating skills and knowledge from a range of subjects, including Engineering, Mathematics, and Art, all of which fall under the STEAM umbrella. Throughout the project, Year 9 demonstrated excellent creativity, resilience, and problem-solving skills as they brought their ideas to life.

We are incredibly proud of their achievements and the enthusiasm they have shown. Good luck to all Year 9 students with their option choices, and we look forward to seeing some of you next year as you continue your journey in IT, Enterprise or Computer Science.

Miss Richardson

Performing Arts

Another year done, means another show ticketd off!

Amazing job from our cast!

A special mention to Connor H, Sophie G and Megan W whose last show it was with us.

We also said our goodbye's to Mr Smith, who will be leaving us.

We can't wait to see you all in September for a surprise show reveal, that THIS YEAR will be chosen by the students!

Miss Kaminskas

Wellbeing Hub

Sports Day & Colour Run 2026

Our annual Sports Day was another fantastic success, with students competing in a range of activities including rounders, tug of war, korfball and benchball. Throughout the day, students displayed outstanding behaviour, excellent sportsmanship and incredible support for one another, cheering on their classmates and giving 100% effort in every event. After a closely contested competition, the overall House winners were...

CANA!

Congratulations to everyone who took part! A special mention also goes to Mrs Gosling's form, who fully embraced the occasion by creating their own personalised Sports Day T-shirts, helping to make the day even more memorable.

The celebrations continued with our colourful and energetic Colour Run, which was once again a huge hit with students and staff alike. The atmosphere was incredible, with laughter, encouragement and plenty of colour from start to finish. It was the perfect way to round off an unforgettable day and showcased the fantastic school spirit that makes our community so special.

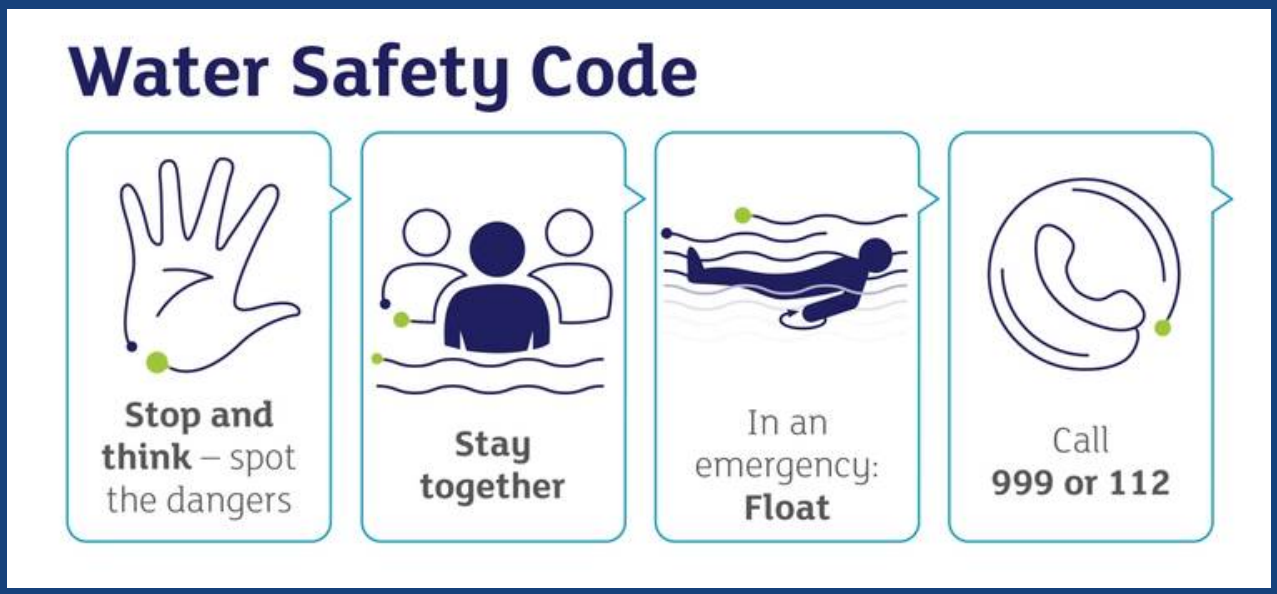
Humanities



HUMANITIES TRIPS

Join Us for Our Fantastic Humanities Trips Next Year!

Our students have an exciting programme of educational visits to look forward to next academic year, bringing learning to life beyond the classroom.

Year 7 – Jewish Museum & Manchester Cultural Quarter

Year 8 – Salford Quays & Imperial War Museum North

Year 9 – Llandudno & Staffordshire University

Year 10 – Carding Mill Valley

Year 11 – Shrewsbury & Quarry Bank Mill

These trips provide fantastic opportunities to explore history, geography and culture first-hand, while developing curiosity, confidence and unforgettable memories.

We can't wait to explore with you!

Mrs Danks

RSHE

GRASS FIRES:
THINK BEFORE YOU SPARK.

WHY ARE GRASS FIRES DANGEROUS?

- They spread extremely quickly, especially in hot, dry, or windy weather.
- They can destroy wildlife habitats and kill animals.
- They threaten homes, schools, farms, and parks.
- Smoke can make it difficult to breathe and reduce visibility.
- Firefighters and emergency services are put at risk.

COMMON CAUSES

- Discarded cigarettes
- Unattended barbecues or campfires
- Fireworks used irresponsibly
- Deliberate fire-setting
- Glass bottles focusing sunlight (possible but much less common than human-caused fires)

HOW YOU CAN HELP

- Never play with fire.
- Put cigarettes out completely.
- Keep barbecues and campfires under control and fully extinguish them.
- Take all litter home.
- Report fires immediately.

IF YOU SEE A GRASS FIRE

- Move to a safe place.
- Tell an adult immediately.
- Call your local emergency services if it is safe to do so.
- Never try to fight a large fire yourself.

ONE SMALL SPARK CAN CHANGE EVERYTHING.

PROTECT NATURE. PROTECT PEOPLE. PREVENT GRASS FIRES.

Mrs Danks

RSHE

Well done and thank you all for an amazing year! On reflections of the year students have said that RSHE has helped them to understand saftey and start to think about their next steps. We look forward to exploring this further next year and building on the knowledge that the students have already gained.

Next ear we will be building on knowledge we already have starting with the following topics:

Year 7: Health and Wellbeing: How to transition and be safe at The Kings Academy? Transition to secondary school and personal safety in and outside school, including first aid.

Year 8: Health and Wellbeing: Emotional Wellbeing what does it mean to you? Emotional wellbeing and mental health including body image and coping strategies.

Year 9: Relationships: How can I show respect towards relationships? Respectful relationships, families and parenting, healthy relationships, conflict resolution and relationship changes.

Year 10: Living in the Wider World: Careers . Career pathways and salaries, the roles and responsibilities required in the workplace, salary and budgeting

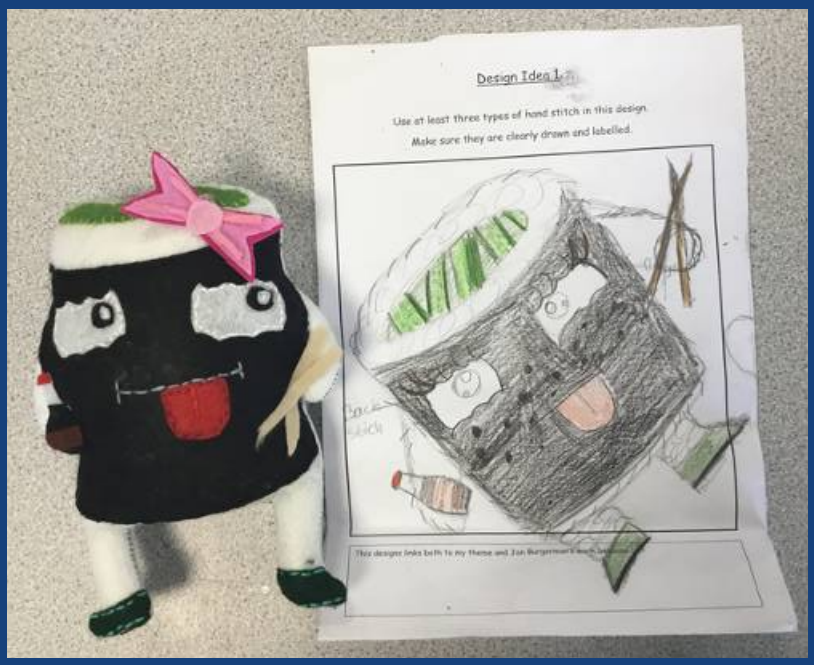
Year 11: Living in the Wider World: What are my next steps for my future? Next steps, application processes, and skills for further education, employment and career progression.

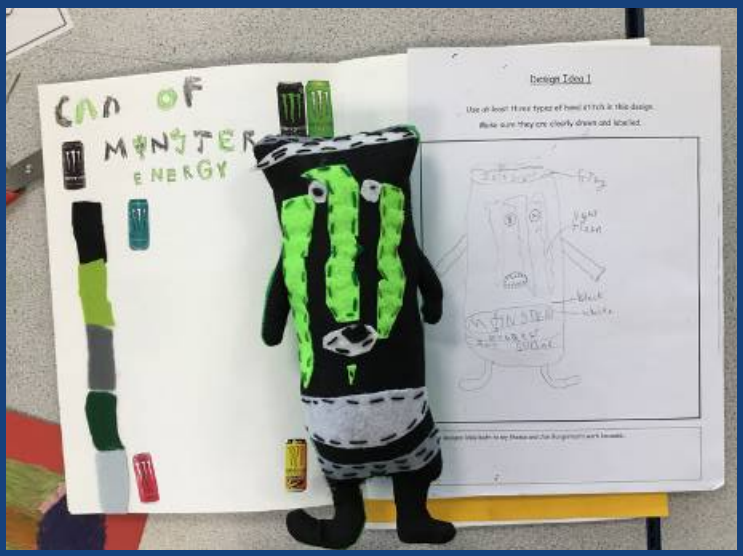
If you have any questions about the RSHE curriculm please email sdanks@thekingscofeacademy.org

Miss Pattinson

Art

From conception to creation, the Year 7 pupils have worked hard all year to design and develop their monster soft toys. They have been taught how to thread a needle and apply a range of handstitches to produce an outcome based on a theme that is personal to them. It has been very exciting to see how each student has shown their individual interests from gaming to food items such as doughnuts and sushi!



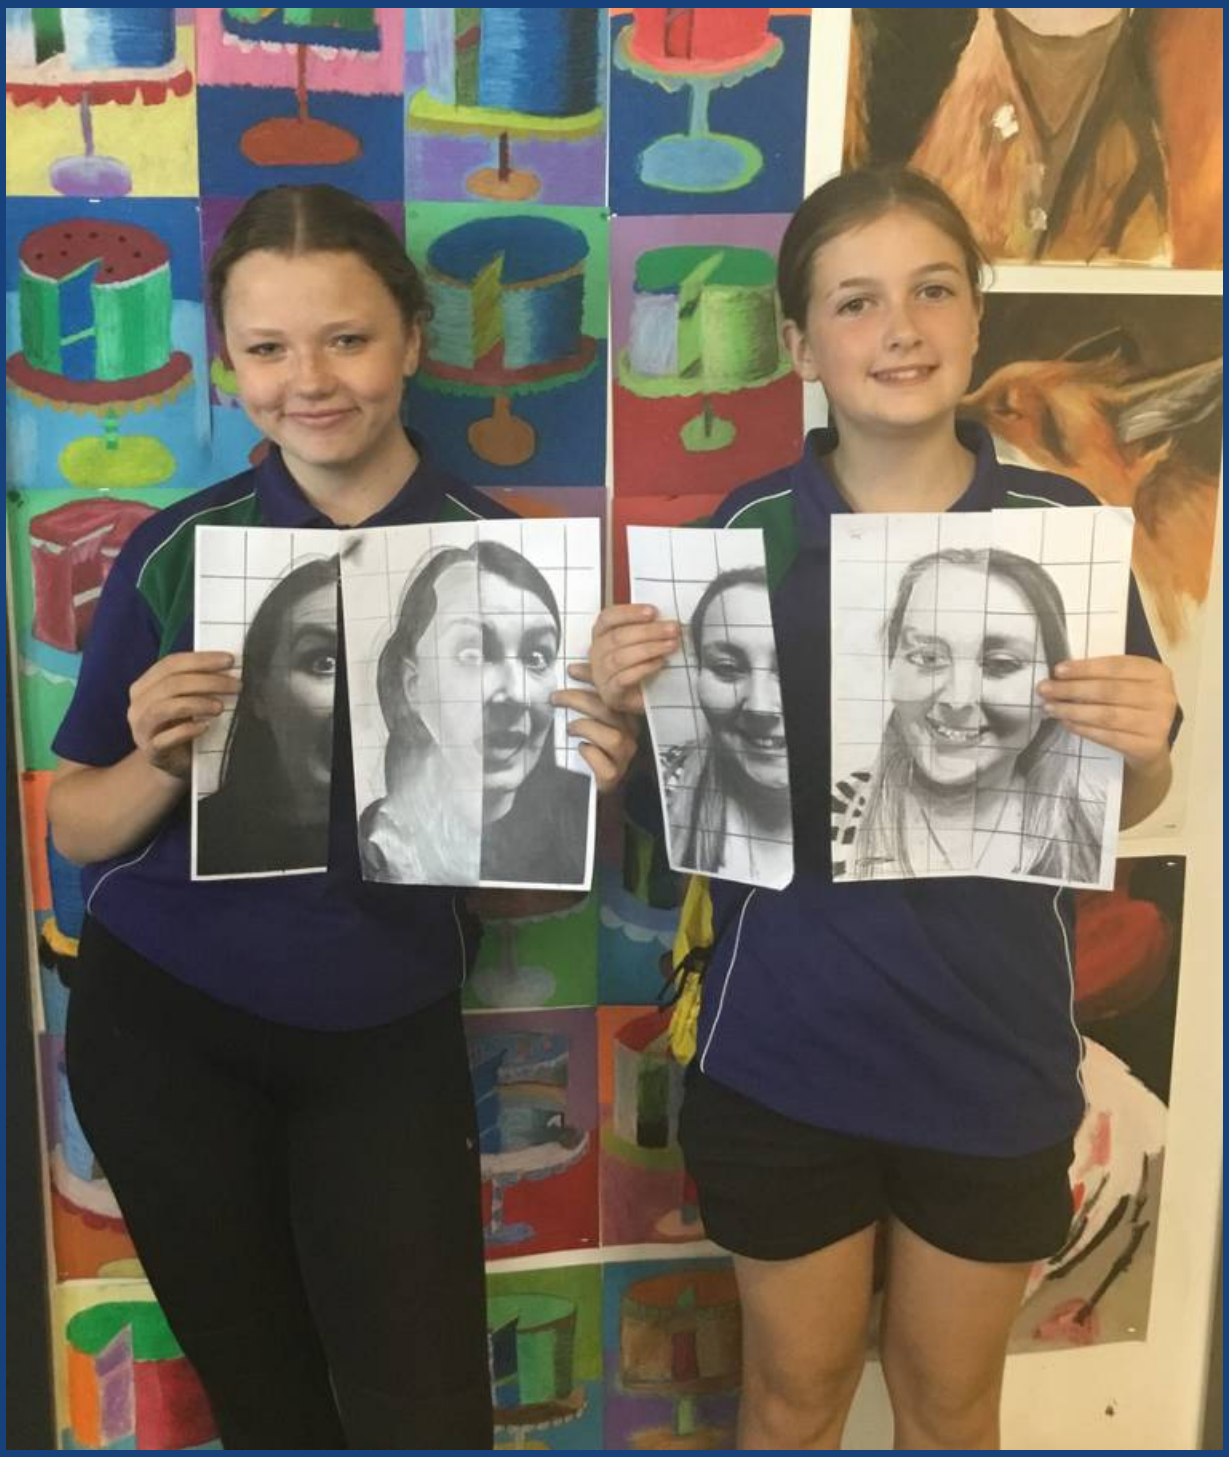


Miss Pattinson

Art

Year 8 have worked so hard over the least term learning how to draw portraits. Their final piece was to produce a grid method drawing of a staff member.

Scarlett and Jasmine can be seen proudly showing their drawings. Well done girls!



Miss Pattinson

Art

On Wednesday, one of our Year 7 students enjoyed a very special opportunity to meet the Mayor and Mayoress of Newcastle-under-Lyme.

Following a recent local painting competition, Jake's artwork caught the Mayor's attention. Impressed by his talent, the Mayor invited Jake to afternoon tea to personally congratulate him on his achievement.

During the visit, Jake received some gifts and was even given the chance to try on a ceremonial robe. He returned to school with a huge smile on his face and was eager to share his exciting experience with everyone.

Congratulations, Jake – a fantastic achievement and a well-deserved recognition of your artistic talent!

Mrs Goldstraw

Year 7

What an incredible year it has been! There have been so many brilliant moments throughout the year from Play in a week, to trips, to sports days, to the competitiveness between form groups and Year 8!

You have done amazingly from transition to now, and you should always remember how amazing you are! I share with you the quote I shared at the end of transition week, because it truly summarises the transition year of Year 7:

"You are braver than you believe, stronger than you seem and smarter than you think!"

Thank you for a brilliant year!

Student shout out

Lucy T danced at the IDTA Midlands qualifiers for freestyle solo , slow solo , rock and rock pairs and freestyle pairs recently and she has qualified for the nationals at Blackpool winter gardens in November! Well done Lucy!

Miss Stanyer

Year 8

What an incredible year it has been! I honestly can't believe how quickly the year has flown by!

It has been a busy, exciting and memorable year, filled with so many achievements and wonderful moments. Your children make me incredibly proud each and every day, and it has been a privilege to watch them grow in confidence, resilience and maturity throughout the year.

As a year group, they have shown fantastic team spirit, particularly with their attendance, setting a brilliant example to the rest of the school.

I would like to take this opportunity to thank you for your continued support throughout the year—it is truly appreciated. I also want to give a huge thank you to our amazing form tutors. I am sure you will agree that they have been absolutely incredible, providing constant encouragement, care and guidance every step of the way.

Finally, I would like to wish you and your families a wonderful, restful and well-deserved summer break. I can't wait to welcome everyone back in September and see what Year 9 has in store. Something tells me it's going to be another fantastic year!

Parent's Evening

10th June '27

Mrs Kelly

Year 9

A little farewell message from Mrs Kelly

As we come to the end of another school year, I wanted to take a moment to tell you just how proud I am of each and every one of you.

It has been an absolute privilege and pleasure to be your Head of Year this year. Watching you grow, overcome challenges, celebrate successes, and support one another has been incredibly rewarding. You have been a truly fantastic year group, and you have made this year one to remember.

Each of you has brought something special to our school community, and I hope you recognise just how much you have achieved. Whether through your hard work, kindness, resilience, humour, or determination, you have all left your mark.

As you move on to the next chapter of your lives, I want you to know that I will genuinely miss you all. It won't be the same without your smiles, your personalities, and the moments we've shared along the way.

I have every confidence that each of you will go on to do wonderful things, whatever path you choose.

Thank you for making it such a special year for me. It has been an honour to be part of your journey, and I wish every one of you happiness, success, and all the very best for the future.

Take care, keep in touch if you can, and remember that you will always have people here who are proud of you.

Mrs Kelly

Parent's Evening

11th Feb '27 (Options)

Miss Stevens

Year 10

This week, Year 10 students received their Mock results in 1-2-1 meetings with the Leadership team. The meetings were a great oportunity to discuss revision, attendance, progress and next steps.

Students have bee encouraged to rest over the Summer but to come back with a renewed sense of determination. With only 143 school days left, every day is going to count!

Mrs Postlethwaite also set a challenge for Year 11. Any student with 100% attendance will attend prom for free! Currently, all 141 Year 10 students are eligable as this starts on the first day back in September. So many students are excited about this challenege so we are looking forward to seeing how many can actually do it!

We are trialling an additional way to communicate with Year 11 parents next year. If you would like to be part of a Whatsapp 'channel' where you will receive updates, reminders and top tips on how to best support your child through this final year, please scan the QR code.
